Access Health is right on time

A health plan that gives you easy access to health services on your terms.

It is an unbelievably convenient health plan while offering uncompromising quality protection. It's modern health cover for today's world.

So let's dive straight in.

Any place, anywhere, and nearly at anytime

We've partnered with Health at Hand, the leading telehealth provider in the UAE. Giving you access to a medical doctor at the touch of your smartphone. The service provides you with a state of the art app to access a medical professional at the time and place it is convenient to you. No waiting, no drive times. Electronic prescriptions and sick notes make this service even more convenient.

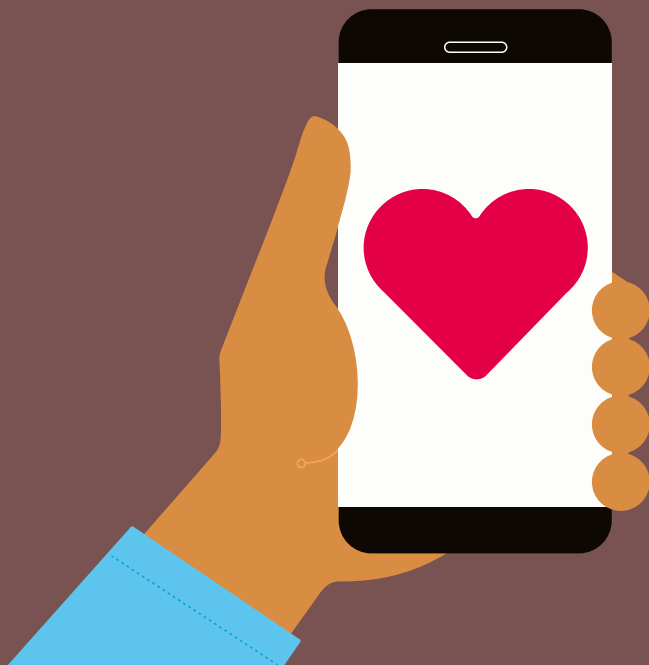

Top notch protection

Convenience doesn't matter a hoot if you don't have first rate protection. With Access Health you have a truly comprehensive health plan at an affordable premium.

On your time

We've built Access Health around accessible services at your convenience. And that means lots of apps to make it easy to access all the great features on your time.

We're here for you

With all this technology you might think we have forgotten the personal touch. But we can assure you that our legendary personal service is very much on the front foot. Our technology is there to serve you. And you can reach out to a great local team standing by to help you at all times.

In tune with body and soul
